

## Supplementary Tables

**Supplementary Table I.** Priority classification according to MTS (Manchester Triage System) performed on the emergency department

Manchester Triage System - Priority level	Frequency (%)
1 Non urgent - Blue	0 (0)
2 Standard – green	11 (20.3)
3 Urgent - yellow	31 (57.4)
4 Very urgent - orange	8 (14.8)
5 Immediate - red	4 (7.4)

Priority classification assigned to the 54 study participants who required urgent admission. Data are expressed as frequencies and percentages
